PREFACE

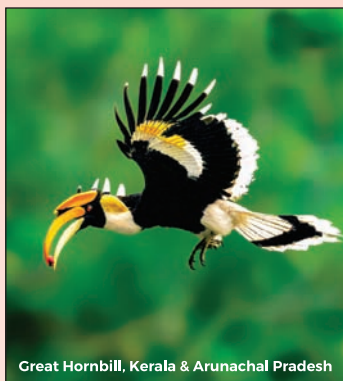

‘Sampark’ is one of the key administrative documents for the department which enables connect across all formations and headquarter offices. The 2021 version stands out in many ways – the cover page imbibes the essence of Indian heritage; calendar pages depict the incredible biodiversity and the commitment of the department towards its officials are highlighted in the welfare schemes pages. The main constituent of this handbook, the contact information, has been updated with the latest changes as intimated to DGTS and includes images of the senior dignitaries and officials for the first time. This document has continuously evolved through years to facilitate our officials and we will be glad to receive your suggestions or thoughts towards any qualitative improvement of its compilation.

I am delighted to present to you the new ‘Sampark 2021, Administrative Handbook of Central GST & Customs’ on the onset of a new year full of possibilities and new prospects.

(B. V. Siva Naga Kumari)
